

OpenJam

A blockchain-based collaborative ecosystem
for amateur and independent musicians

We offer musicians

A collaborative ecosystem

- MEET, CREATE, LEARN, SHARE
- Buy or sell around music

IPR protection by Blockchain

- Ensuring exact authorship
- Choose the right CC licence

A better remuneration

- Directly from your public
- Access to professional services

A free access to music

- Free music streaming platform
- Free web music sequencer

How does it work?

STEP 1: Sign up

Go to <https://www.openjam.be> and sign in.
When you register, you will receive a few JamCoins after the ICO.

STEP 2: Start using OpenJam platform

Upload your creations and gain JamCoins from tipping.
Create music and meet other musicians, share and learn with other users.
You can also accumulate additional JamCoins as a reward for your achievements.

STEP 3: Use your JamCoins

Hold your JamCoins for a better income or use them to professionalize your creations.
You can spend them on buying audio equipment or services in the areas of promotion, merchandising, graphics, sound design...
