

A blockchain-based collaborative ecosystem
for amateur and independent musicians

We offer independent labels

A new music streaming platform

- Specialized in independent music
- A new and direct source of income: tips from the public

IPR protection by Blockchain

- Ensuring exact authorship
- Choose the right CC licence

New work platform for artists

- New co-creation space without borders.
- New meeting point for loop seekers.
- Choose the right CC license

Benefits for managers

- Low-cost merchandising platform accessible to everyone
- Access to many services: graphic design, mastering, promotion... to buy or to sell!

How does it work?

STEP 1: Sign up

Go to <https://www.openjam.be> and sign in.
When you register, you will receive a few JamCoins after the ICO.

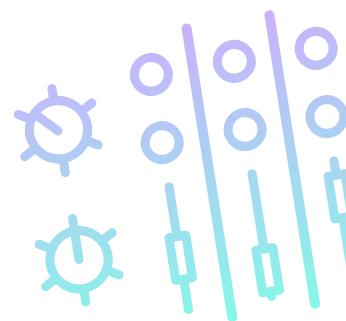

STEP 2: Start using OpenJam platform

Upload your creations and gain JamCoins from tipping.
Publish music and meet other labels, share and learn with other users.
You can also accumulate additional JamCoins as a reward for your achievements.

STEP 3: Use your JamCoins

Hold your JamCoins for a better income or use them to promote your artists.
You can spend them on buying audio equipment or services in the areas of promotion, merchandising, graphics, sound design...
