

OpenJam

A blockchain-based collaborative ecosystem
for amateur and independent musicians

Why to invest?

Market

- There are more amateur musicians than professional musicians.
- Growth in the sector is strong for music streaming platforms.

Web 3.0 Technology

- Waves Platform is fast, environmentally friendly and innovative.
- Blockchain, WebAssembly, WebAudio API, ReactJS...

Products

- The first musical web sequencer.
- An anchoring in the real world thanks to a brand of exclusive products for musicians.

Our project

- A healthy business model.
- Relevant partners.
- A team made up of professionals who are also musicians.
