# OpenJam

A blockchain-based collaborative ecosystem
for amateur and independent musicians

## We offer auditors

### 1 A new music streaming platform

- Specialized in independent music.
- A new source of income: tips from the public.
- Always free.

### 2 IPR protection by Blockchain

- Consisting of independent artists and labels.
- Supported by amateur producer compositions.
- Fight against the impoverishment of music in the world.

### 3 Why not you ?

- OpenJam will allow everyone to try to make music easily and for free.
- OpenJam Studio will have all the necessary features to create your songs. Library of loops, rhythm boxes, virtual instruments...

## How does it work?

### 1 STEP 1: Sign up

Go to https://www.openjam.be and sign in.
When you register, you will receive a few JamCoins after the ICO.

### 2 STEP 2: Start using OpenJam platform

Earn JamCoins as a reward for making cool playlists.
Discover new artists and be their first contributor by tipping them to unlock more JamCoins.
You can also accumulate additional JamCoins as a reward for your achievements.

### 3 STEP 3: Use your JamCoins

Hold your JamCoins for a better income or use them to award your favorite artists.
You can spend them on buying audio equipment, instrument or merchandising.
